Misc. Case No.1559 of 2003
Misc. Case No.1560 of 2003

5. 29.11.2019 Application for review of order dated 02.09.2002 was filed in 2003.

On 02.09.2002 following order was passed.

> "We are not satisfied that any interference at this distance of time is warranted, as the revisional authority has observed that even he was moved after 15 years of the original order. In this situation, we are not inclined to interfere. The writ petition is dismissed."

As it appears, the writ was filed challenging the rejection order dated 13.07.1998 in Consolidation Revision No.70 of 1996. It means the matter is pending before this Court since last 16 years for review of dismissal of the writ petition.

We are not inclined to entertain the review application so also the application for condonation of delay in preferring the review application.

Both the misc. cases are rejected.
